

FREE CANCER EDUCATION, EARLY DETECTION AND SCREENINGS FROM VIRTUA HEALTH

NJCEED at Virtua

The New Jersey Cancer Education and Early Detection (NJCEED) Program at Virtua is a cancer screening program for Burlington and Camden County residents who meet certain age and income requirements. To enroll in the program, you must be between the ages of 21 to 64, uninsured or underinsured, and not able to pay for the screenings you need.

NJCEED provides breast, cervical, prostate and colorectal cancer screenings for those who qualify. Clinical breast exams, mammograms, Pap smears, pelvic exams, PSA blood tests (for prostate screening), and fecal occult blood testing (for colorectal screening) are among the services offered by the program.

A Community Health Worker from the Virtua CEED Program will be at the Beverly Free Library on Saturday, October 7, 2023 12:00-5:00 to answer all of your questions. For more information contact Bettyjane Watkins at 865281-8695.
