River LINE Public Meeting

Please join Senator Troy Singleton for a River LINE public meeting with NJ TRANSIT President & CEO Kris Kolluri.

The meeting will focus on River LINE service reliability, accountability, communication, and safety. NJ TRANSIT will also provide an update on concerns shared by riders at our public meeting last fall, and present information on the transition of River LINE operations and maintenance from contract operator Alstom to NJ TRANSIT. After NJ TRANSIT's presentation, there will be a public comment session.
