

Please sign up! Patients in need are counting on blood donors!

Help us hit our goal!

Sign up and/or spread the word!

Come donate **May 26, from 2pm-7pm in the Edgewater Park Municipal Courtroom...** for a 20 oz. Red Cross aluminum water bottle and custom stickers, (limited quantity)!

My name is Ashley, and I am the account manager for this blood drive. I don't only ask others to give blood, but I also give blood in honor of family members that needed blood!

My WHY is, both my father-in-law and dad needed transfusions during their journey battling stage 4 cancer.

Although both are no longer with us, the blood donations gave them more time and gave us more time with them!

More time to be at my wedding,

to see my son be born,

to go on a vacation.

Blood donors save lives
and give time; they give
memories!

Be a blood donor!
Please!
What is your WHY?
