INDEPENDENT AUDITOR'S REPORT
ON BASIC FINANCIAL STATEMENTS

The Honorable Mayor and Members
of the Township Committee
Township of Edgewater Park
400 Delanco Road
Edgewater Park, New Jersey 08010

I have audited the accompanying financial statements of the Township of Edgewater Park, in the County of Burlington, State of New Jersey, as of and for the fiscal years ended December 31, 2011 and 2010, as listed in the table of contents. These financial statements are the responsibility of the Township of Edgewater Park's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America; standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

As described in Note 1, the financial statements previously referred to have been prepared in conformity with accounting practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which practices differ from accounting principles generally accepted in the United States of America. The effect on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

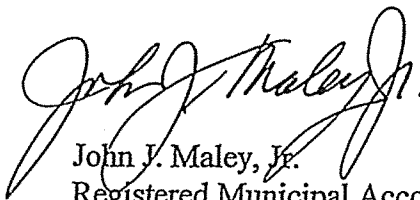

In my opinion, because of the Township of Edgewater Park's policy to prepare its financial statements on the basis of accounting discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with generally accepted accounting principles, the financial position of the various funds of the Township of Edgewater Park, State of New Jersey, as of December 31, 2011 and 2010 or the results of operations of such funds and changes in funds balances for the years then ended.

However, in my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the various funds of the Township of Edgewater Park, State of New Jersey, as of December 31, 2011 and 2010, and the results of operations of such funds and changes in fund balances for the years then ended in conformity with the basis of accounting described in the Note 1.

In accordance with *Government Auditing Standards*, I have also issued my report dated May 25, 2012 on my consideration of the Township of Edgewater Park's internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of my audit.

My audit was performed for the purpose of forming an opinion on the basic financial statements of the Township of Edgewater Park, in the County of Burlington, State of New Jersey, taken as a whole. The supplemental schedules of the individual funds listed in the foregoing table of contents are presented for purposes of additional analysis and are not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in my opinion, is fairly presented, in all material respects, in relation to the financial statements taken as a whole, on the basis of accounting described in Note 1.

Respectfully submitted,

**REPORT ON COMPLIANCE AND OTHER MATTERS ON INTERNAL
CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

The Honorable Mayor and Members
of the Township Committee
Township of Edgewater Park
400 Delanco Road
Edgewater Park, New Jersey 08010

I have audited the basic financial statements of the Township of Edgewater Park, in the County of Burlington, State of New Jersey, as of and for the year ended December 31, 2011, and have issued my report thereon dated May 25, 2012. I conducted my audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. In my report my opinion was qualified because the financial statements were prepared on a comprehensive basis of accounting other than generally accepted accounting principles.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Township of Edgewater Park's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township of Edgewater Park's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of the Township of Edgewater Park's internal control over financial reporting.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that that might be significant deficiencies or material weaknesses, and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying schedule of findings and responses, I identified certain deficiencies in internal control over financial reporting that I consider to be material weaknesses.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. I consider the deficiencies described in the accompanying General Comments section as Finding 2011-1 to be a material weaknesses.

A *significant deficiency* is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. I consider the deficiency described in the accompanying General Comments section as Finding 2011-2 to be a significant deficiency.

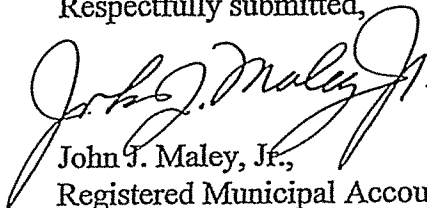

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Township of Edgewater Park's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Township of Edgewater Park's responses to the findings identified in my audit are described in the accompanying schedule of findings and responses. I did not audit the Township of Edgewater Park's responses and, accordingly, I express no opinion on them.

This report is intended solely for the information of the management of the Township of Edgewater Park, the New Jersey State Department of Community Affairs, Division of Local Government Services and other state and federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,

TOWNSHIP OF EDGEWATER PARK
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2011

Note 1. Summary of Significant Accounting Policies

A. Reporting Entity

The financial statements of the Township of Edgewater Park, County of Burlington, New Jersey ("the Township"), include every board, body, office or commission supported and maintained wholly or in part by funds appropriated by the Township as required by *N.J.S.A. 40A:5-5*. The financial statements of the Township do not include the operations of the Board of Education, first aid organization or volunteer fire companies that are subject to separate audits.

B. Descriptions of Funds

The accounting policies of the Township conform to the accounting principles applicable to municipalities, which have been prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"). Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the Township accounts for its financial transactions through the following separate funds:

Current Fund - resources and expenditures for government operations of a general nature, including Federal and State Grant funds.

Trust Funds - the various Trust Funds account for receipts, custodianship and disbursement of funds in accordance with the purpose for which each reserve was created.

General Capital Fund - accounts for receipt and disbursement of funds for the acquisition of capital facilities, other than those acquired in the Current Fund.

Public Assistance Fund - the Public Assistance Fund accounts for receipt and disbursement of funds that provide assistance to certain residents of the township pursuant to Title 44 of New Jersey statutes.

C. Basis of Accounting

Revenues - are recorded as received in cash except for certain amounts, which may be due from the State of New Jersey or the federal government as grants. The amounts recorded as property taxes receivable and consumer accounts receivable have not been included in revenue. Amounts that are due to the municipality which are susceptible of accrual are recorded as receivables with offsetting reserves.

Expenditures - are recorded on the "budgetary" basis of accounting. Generally expenditures are recorded when an amount is encumbered for goods or services through the issuance of a purchase order in conjunction with the Encumbrance Accounting System. Outstanding encumbrances at

FOR THE YEAR ENDED DECEMBER 31, 2011

Note 1. Summary of Significant Accounting Policies (continued):

December 31, are reported as a liability in the financial statements and constitute part of the Township's statutory Appropriation Reserve balance. Appropriation reserves covering unexpended appropriation balance are automatically created at December 31st of each year and recorded as liabilities, except for amounts which may be cancelled by the governing body.

Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding fiscal year. Lapsed appropriation reserves are recorded as income. Appropriations for principal payments on outstanding general capital and utility bonds and notes are provided on the cash basis; interest on general capital indebtedness is on the cash basis.

Foreclosed Property – is recorded in the Current Fund at the assessed valuation when such property was acquired and is fully reserved.

Interfunds – receivables in the Current Fund are recorded with offsetting reserves, which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

Inventories of Supplies - the costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various balance sheets.

General Fixed Assets – Property and equipment purchased by the Current and General Capital Funds are recorded as expenditures at the time of purchase and are not capitalized. All interest costs are recorded as expenditures when paid.

Accounting for Governmental Fixed Assets, as promulgated by Technical Directive No. 2 as issued by the Division of Local Government Services, differs in certain respects from generally accepted accounting principles. The following is a brief description of the provisions of the Directive.

Fixed assets used in governmental operations (general fixed assets) are accounted for in the General Fixed Assets Account Group. Public domain ("infrastructure") general fixed assets consisting of certain improvements other than buildings, such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized.

All fixed assets are valued at historical cost or estimated historical cost if actual historical cost is not available except for land, which is valued at estimated market value. No depreciation on general fixed assets is recorded in the financial statements.

1. Prior to February 10th of the budget year the Township introduces a budget, which includes proposed expenditures and financing methods.

Note 3. Governmental Unit Deposit Protection Act (GUDPA)

The Township has deposited cash in 2011 with an approved public fund depository qualified under the provisions of the Government Unit Deposit Protection Act. In addition to savings and checking accounts the Township invests monies in certificates of deposits.

The Governmental Unit Deposit Protection Act P.L. 1970, Chapter 236, was passed to afford protection against bankruptcy or default by a depository. C.17:9-42 provides that no governmental unit shall deposit funds in a public depository unless such funds are secured in accordance with this act. C.17:9-42 provides that every public depository having public funds on deposit shall, as security for such deposits, maintain eligible collateral having a market value at least equal to either (1) 5% of the average daily balance of collected public funds on deposit during the 6 month period ending on the next preceding valuation date (June 30 or December 31) or (2) at the election of the depository, at least equal to 5% of the average balance of collected public funds on deposit on the first, eighth, fifteenth, and twenty-second days of each month in the 6 month period ending on the next preceding valuation date (June 30 or December 31). No public depository shall be required to maintain any eligible collateral pursuant to this act as security for any deposit or deposits of any governmental unit to the extent such deposits are insured by F.D.I.C. or any other U.S. agency which insures public depository funds.

No public depository shall at any time receive and hold on deposit for any period in excess of 15 days public funds of a governmental unit(s) which, in the aggregate, exceed 75% of the capital funds of the depository, unless such depository shall, in addition to the security required to be maintained under the paragraph above, secure such excess by eligible collateral with a market value at least equal to 100% of such excess.

In the event of a default, the Commissioner of Banking within 20 days after the default occurrence shall ascertain the amount of public funds on deposit in the defaulting depository and the amounts covered by federal deposit insurance and certify the amounts to each affected governmental unit. Within 10 days after receipt of this certification, each unit shall furnish to the Commissioner verified statements of its public deposits. The Commissioner shall ascertain the amount derived or to be derived from the

liquidation of the collateral maintained by the defaulting depository and shall distribute such proceeds pro rata among the governmental units to satisfy the net deposit liabilities to such units.

If the proceeds of the sale of the collateral are insufficient to pay in full the liability to all affected governmental units, the Commissioner shall assess the deficiency against all other public depositories having public funds on deposit determined by a formula determined by law. All sums collected by the Commissioner shall be paid to the governmental units having deposits in the defaulting depository in the proportion that the net deposit liability to each such governmental unit bears to the aggregate of the net deposit liabilities to all such governmental units.

All public depositories are required to furnish information and reports dealing with public funds on deposit every six months, June 30th and December 31st, with the Commissioner of Banking. Any public depository which refuses or neglects to give any information so requested may be excluded by the

Commissioner from the right to receive public funds for deposit until such time as the Commissioner shall acknowledge that such depository has furnished the information requested.

Upon review and approval of the Certification Statement that the public depository complies with statutory requirements, the Commissioner issues forms approving the bank as a municipal depository. The Municipality should request copies of these approval forms semiannually to assure that all depositories are complying with requirements.

Note 4. Debt

The Local Bond Law governs the issuance of bonds and notes to finance general municipal capital expenditures. Bonds are retired in serial installments within the statutory period of usefulness. Bonds issued by the Township are general obligation bonds, backed by the full faith and credit of the Township. Bond anticipation notes are issued to temporarily finance capital projects, prior to the issuance of serial bonds. The term of the notes cannot exceed one year but the notes may be renewed from time to time for a period not exceeding one year. All such notes must be paid no later than the tenth anniversary of the date of the original note. The State of New Jersey also prescribes that on or before the third anniversary date of the original note a payment of at least equal to the first legally payable installment of the bonds in anticipation of which such notes were issued be paid. A second legal installment must be paid if the notes are to be renewed beyond the fourth anniversary date of the original issuance and so on. Tax anticipation notes are issued if the cash on hand is not sufficient to carry on normal operations of the municipality at any time during the year. Such notes are authorized by a resolution adopted by the governing body.

Full-time employees are entitled to sick leave and vacation days each year in accordance with the current union contracts. Unused sick leave and vacation days may be accumulated and carried forward to the subsequent year.

The Township of Edgewater Park compensates employees for all unused vacation days upon termination or retirement. The current policy also provides for the payment of 75% of unused sick leave accumulated at the rate of pay upon termination or retirement.

TOWNSHIP OF EDGEWATER PARK

NOTES TO FINANCIAL STATEMENTS (continued):
FOR THE YEAR ENDED DECEMBER 31, 2011

Note 6. Compensated Absences (continued):

The Township does not record accrued expenses related to compensated absences. However, it is estimated that, at December 31, 2011, accrued benefits for compensated absences are valued at \$328,186.

Note 7. Deferred Compensation Salary Account

The Township offers its employees a Deferred Compensation Program in accordance with Internal Revenue Code Section 457, which has been approved by the Director of the Division of Local Government Services. The program is offered by the Township through two program administrators, PEBSCO & Equitable. The investment fund balance of the program as of December 31, 2011 is \$156,425. The programs, available to all full time employees at their option, permit employees to defer a portion of their salary to future years. The deferred compensation is not available to participants until termination, retirement, death or unforeseeable emergency.

All amounts of compensation deferred under the Plan and all income attributed to those amounts are the exclusive property of the Township of Edgewater Park; subject to the claims of the general creditors of the Township Participants' rights under the plan are equal to those of a general creditor of the Township in an amount equal to the fair market value of the deferred account for each participant. It is unlikely that the Township would use plan assets to satisfy claims of the general creditors in the future.

Certain provisions of the Job Protection Act of 1997 affect the Plan. Commencing on January 1, 1999, amounts deferred under Section 457 plans must be held in trust for the exclusive benefit of participating employees and not be accessible by the Township or its creditors. On September 3, 1997, the State of New Jersey implemented new regulations that require all new plans to be in compliance with the provisions of the Act. Since the Township's plan was adopted before August 20, 1996, the date the Act was signed into law, the Township has until January 1, 1999 to amend the plan or adopt a new one that complies with the Act and State regulations.

The Township assumes no liability for losses under the plan but does have the duty of due care that would be required of an ordinary prudent investor.

Note 8. Pension

A. Plan Description

The Township of Edgewater Park contributes to a cost-sharing multiple-employer defined benefit pension plan, Public Employees' Retirement System (P.E.R.S.) and Police and Fireman's Retirement System (P.F.R.S.), administered by the State of New Jersey, Division of Pensions and Benefits. It provides retirement, disability, medical and death benefits to plan members and beneficiaries. The State

of New Jersey P.E.R.S. and P.F.R.S. programs were established as of January 1, 1955 and July 1, 1944, respectively. The programs were established under the provisions of *N.J.S.A.43:15A* and *N.J.S.A.43:16A* which assigns authority to establish and amend benefit provisions to the plan's board of trustees. P.E.R.S. and P.F.R.S. issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to: State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, P.O. Box 295, Trenton, NJ 08625, or calling (609) 984-1684.

B. Funding Policy

The System's designated purpose is to provide retirement, death, disability and medical benefits to certain qualified members. Membership in the System is mandatory for substantially all full-time employees of the State of New Jersey or any county, municipality, school district or public agency, provided the employee is not required to be a member of another state-administered retirement system or other state or local jurisdiction. The System's Board of Trustees is primarily responsible for the administration of the System.

According to the State of New Jersey administrative code, all obligations of the System will be assumed by the State of New Jersey should the System terminate.

Plan members are required to contribute 5.5% of their annual covered salary for P.E.R.S through September 30, 2011 and 6.5% thereafter, 8.5% of their annual covered salary for P.F.R.S. and the Township is required to contribute at an actuarially determined rate. The current rate represents approximately 3.77% for P.E.R.S. and 9.41% for P.F.R.S. of annual covered payroll. The contribution requirements of plan members and the Township of Edgewater Park are established and may be amended by the plan's board of trustees. The Township's contributions to P.E.R.S. for the years ending December 31, 2011, 2010 and 2009 were \$90,630, \$79,004 and \$71,153, respectively, equal to the required contributions for each year and to P.F.R.S. for the years ending December 31, 2011, 2010 and 2009 were \$223,301, \$197,200 and \$170,672, respectively, equal to the required contributions for each year.

Note 9. Assessments and Collection of Property Taxes

New Jersey statutes require that taxable valuation of real property be prepared by the Township Tax Assessor as of October 1 in each year and filed with the County Board of Taxation (the "Board") by January 10 of the following year. Upon the filing of certified adopted budgets by the Township, Regional School District and County, the tax rate is struck by the Board based on the certified amounts in each of the taxing districts for collection to fund the budgets. Pursuant to statute, this process is to be completed on or before May 3, with a completed duplicate of the tax rolls to be delivered to the Township Tax Collector (the "Collector") on or before May 13th.

TOWNSHIP OF EDGEWATER PARK

NOTES TO FINANCIAL STATEMENTS (continued):
FOR THE YEAR ENDED DECEMBER 31, 2011

Note 9. Assessments and Collection of Property Taxes (continued):

Tax bills are prepared then mailed by the Collector of the Township annually and set forth the final tax for the tax year. The bill contains a credit for preliminary amounts billed previously with the balance payable in equal installments on August 1st and November 1st of the tax year. In addition the property owner receives a preliminary bill for the succeeding year based on one half of the prior year's tax. The preliminary payments are due and payable on February 1st and May 1st. The NJ Statutes allow a grace period of 10 days for each payment period and the Township granted this option to taxpayers. Taxes become delinquent if not paid on the installment dates and become subject to interest penalties of 8% or 18% of the amount delinquent. If taxes are delinquent on or after April 1st of the succeeding year, the delinquent amount is subject to "Tax Sale" which places a tax lien on the property allowing the holder to enforce the tax lien by collection or foreclosure. New Jersey property tax laws establish a tax lien on real estate as of January 1st of the current tax year even though the amount due is not known.

Note 10. Deferred Charges to be Raised in Succeeding Budgets

Certain expenditures are required to be deferred to budgets of succeeding years. At December 31, 2011, the following deferred charges are shown on the statement of assets, liabilities, reserves and fund balance of the following fund:

	Balance December 31, 2010	Created During 2011	2011 Budget Appropriation	Succeeding Years
Current Fund:				
Emergency Appropriation	\$153,200	-	\$40,000	\$113,200

The Appropriations in the 2011 Budget are not less than required by statute.

Note 11. Post-Retirement Benefits

Chapter 384 of Public Laws 1987 and Chapter 6 of Public Laws 1990 required PERS, to fund post-retirement medical benefits for those State employees who retire after reaching 60 and accumulating 25 years of credited service. P.L. 2007, c. 103 amended the law to eliminate the funding of post-retirement medical benefits through the PERS system. It created separate funds outside of the pension plans for the funding and payment of post-retirement medical benefits for retired State employees. As of June 30, 2010, there were 72,874 retirees eligible for post-retirement medical benefits. The cost of these benefits is funded through contributions by the State in accordance with Chapter 62, P.L. 1994. Funding of post-retirement medical premiums changed from a pre-funding basis to a pay-as-you-go basis beginning in fiscal year 1994.

TOWNSHIP OF EDGEWATER PARK

NOTES TO FINANCIAL STATEMENTS (continued): FOR THE YEAR ENDED DECEMBER 31, 2011

Note 11. Post-Retirement Benefits (continued):

The State is also responsible for the cost attributable to Chapter 126, P.L. 1992, which provides free health benefits to members of PERS and TPAF. The State paid \$251.1 million toward Chapter 126 benefits for 27,135 eligible retired members in Fiscal Year 2010.

State Health Benefits Plan Description

The Township of Edgewater Park contributes to the State Health Benefits Program (SHBP), a cost-sharing, multiple-employer defined benefit post-employment healthcare plan administered by the State of New Jersey Division of Pensions and Benefits. SHBP was established in 1961 under N.J.S.A. 52: 14-17.25 et seq., to provide health benefits to State employees, retirees, and their dependents. Rules governing the operation and administration of the program are found in Title 17, Chapter 9 of the New Jersey Administrative Code. SHBP provides medical, prescription drugs, mental health/substance abuse, and Medicare Part B reimbursement to retirees and their covered dependents.

The SHBP was extended to employees, retirees, and dependents of participating local public employers in 1964. Local employers must adopt a resolution to participate in the SHBP. In 1990, The Township of Edgewater Park authorized participation in the SHBP's post-retirement benefit program through resolution number 165-2002 on October 23, 2002. The Township adopted the provision of Chapter 88, Public Laws of 1974 as amended by Chapter 436, P.L. 1981 to permit local public employers to pay the premium charges for certain eligible pensioners and their dependents and to pay Medicare charges for such retirees and their spouses covered by the New Jersey Health Benefits Program. In 2011 Township employees began making health benefit contributions of 1.5% of their base salaries towards the health benefit costs.

The State Health Benefits Commission is the executive body established by statute to be responsible for the operation of the SHBP. The State of New Jersey Division of Pensions and Benefits issues a publicly available financial report that includes financial statements and required supplementary information for the SHBP. That report may be obtained by writing to: State of New Jersey Division of Pensions and Benefits, P.O. Box 295, Trenton, NJ 08625-0295 or by visiting their website at www.state.nj.us/treasury/pensions/gasb-43-sept2008.pdf.

Funding Policy

Participating employers are contractually required to contribute based on the amount of premiums attributable to their retirees. Post-retirement medical benefits under the plan have been funded on a pay-as-you-go basis since 1994. Prior to 1994, medical benefits were funded on an actuarial basis. Contributions to pay for the health premiums of participating retirees in the SHBP are billed to Edgewater Park Township on a monthly basis. As a participating employer the Authority will pay and remit to the State treasury contributions to cover the full cost of premiums for eligible pensioners on a basis comparable to the reimbursement made by the State to its eligible pensioners and their spouses in accordance with provisions of chapter 75, Public Laws of 1972.

The Township of Edgewater Park contributions to SHBP for the years ended December 31, 2011, 2010, and 2009, were \$39,787, \$55,523, and \$38,410 respectively, which equaled the required contributions for

To the Honorable Mayor and
Members of the Township Committee
Township of Edgewater Park
Edgewater Park, New Jersey 08010

We have audited the financial statements and transactions of the Township of Edgewater Park in the County of Burlington for the year ended December 31, 2011. In accordance with requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the following are the *General Comments* and *Recommendations* for the year then ended.

GENERAL COMMENTS

Contracts and Agreements Required to be advertised by (N.J.S.A.40A:11-4)

N.J.S.A.40A:11-4 - Every contract or agreement, for the performance of any work or furnishing or hiring of any materials or supplies, the cost or the contract price whereof is to be paid with or out of public funds not included within the terms of Section 3 of this act, shall be made or awarded only by the governing body of the contracting unit after public advertising for bids and bidding therefore, except as is provided otherwise in this act or specifically by any other Law. No work, materials or supplies shall be undertaken, acquired or furnished for a sum exceeding in the aggregate \$17,500 except by contract or agreement.

It is pointed out that the governing body of the municipality has the responsibility of determining whether the expenditures in any category will exceed the statutory minimum within the fiscal year. Where question arises as to whether any contract or agreement might result in violation of the statute, the solicitor's opinion should be sought before a commitment is made.

The minutes indicate that resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services," per *N.J.S.A.40A:11-5*.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

Contracts and Agreements Requiring Solicitation of Quotations

The examination of expenditures did not reveal any individual payments, contracts or agreements in excess of \$2,625 "for the performance of any work or the furnishing or hiring of any materials or supplies", other than those where bids had been previously sought by public advertisement or where a resolution had been previously adopted under the provision of (*N.J.S.A.40A:11-6.1*).

Collection of Interest on Delinquent Taxes

The statute provides the method for authorizing interest and the maximum rate to be charged for the nonpayment of taxes or assessments on or before the date when they would become delinquent.

The governing body on January 8, 2011 adopted the following resolution authorizing interest to be charged on delinquent taxes:

"BE IT RESOLVED by the Township Committee of the Township of Edgewater Park, County of Burlington, State of New Jersey, the rate of interest charged on delinquent taxes or assessments on any installment made ten (10) days after the date upon which the same became payable, shall not exceed eight (8) percent per annum of the first One Thousand Five Hundred Dollars (\$1,500.00) of the delinquency, and eighteen (18) percent per annum on any amount in excess of One Thousand Five Hundred Dollars (\$1,500.00).

BE IT FURTHER RESOLVED, that where interest on delinquent tax payments is one dollar (\$1.00) or less, payment and collection of said interest is hereby waived."

It appears from an examination of the Collector's record that interest was collected in accordance with the foregoing resolution.

Delinquent Taxes and Tax Title Liens

The delinquent taxes at December 31, 2011, included 2010, 2009, 2008, 2007, and 2006 real estate taxes only.

The last tax sale was held on September 14, 2011 and was complete.

Municipal Court

A separate report of the Municipal Court transactions was filed in accordance with the requirements of the Local Finance Board.

As part of the test of the Municipal Court records, no attempt was made to differentiate between fines due the Township, County, or State, or to pass upon the authenticity of the preparation and procedures for complaints issued.
