

Bulk Pickup Days

The Township has bulk pickup every other Thursday of each month by appointment only. This bulk pickup day will take place unless the date in question falls on a Township holiday. On your designated bulk pickup day, the Township will pick up household appliances and other bulky household items. This pickup is only for bulk items and not for regular household refuse, recyclable materials or other materials of any kind. Bulk items must be placed in an orderly fashion at the curb prior to 5:30am on the day of your bulk pickup. *Do not* put materials out for bulk pickup until the Wednesday before your scheduled pickup. Please call the main office at (609) 877-2050 to schedule a bulk pickup.

It should be noted that the Township does not provide curbside pickup of tires. For a small fee they may be disposed of at the Township Garage located at 400 Delanco Road. A fee is charged due to the fact that the Township must pay a premium to get rid of tires.

Also not picked-up will be concrete products, bricks, pesticides, batteries of any kind or propane tanks. Bulk items may be taken the county recycling center. No commercial bulk or contractors permitted.
