

News from the.....
Public Works Department

Chipping will be done on Mondays and Fridays ONLY.

CHIPABLE ITEMS: Branches 4 feet and longer and no more than 8 inches in diameter. Residents are responsible for the removal of all stumps and trunks from trees that are cut down from their properties. Branches must be on the curb with ends facing the same way.

NON-CHIPABLE ITEMS: Old fire wood, bushes and shrubbery with dirt and roots; stumps and branches shorter than four feet.

NOTICE: All leaves must be BAGGED. Leaves will not be picked up in bulk by leaf picker again until the end of October (Call the Township Garage at 877-0577 for pickup).

Any Questions about chipping and recycling
should be directed to Aubrey Painter,
Public Works Superintendent at the Township Garage.
