

Attention Residents:

PSE&G will be replacing a gas main along Warren St. on or about May 11, 2009 in Burlington Township and working their way to Edgewater Park. Construction Hours are from 7:00am to 3:30pm. We are anticipating major traffic delays and ask you to find an alternate route or allow extra time during this period. The project will continue off of Warren St onto Keim St to Church St. and end on Farnum St., probably towards the beginning of June 2009.
